From

Col. D. McNeil Campbell
Secy to the Govt of Mysore P.W.D

To

C.L.S. Russell Esquire I.C.S.,
F. A. Resident
Mysore.

Sir,

I have the honor to acknowledge the receipt of your endorsement No 1284 dy 8th March, forwarding letter No 212/Confl Rs 45 dy 25th Feb 1902 from the Ag. Secy to the Govt of Madras, Rev Dept, to the Hon'ble the Resident in Mysore and in reply I am directed to say that the Mysore Durbar agrees to the terms mentioned in paras 4, 5 and 6 of the letter, by which an annual payment of Rs 897/- on account of land which may be deprived of water during the dry months from 1st January to 31st May owing to the construction of the Cauvery Falls Power works.

This Sum is made up of 661 acres @ Re 1/- = 661
136 acres @ Re 1/- = 136
3½ acres garden land = 100
Total 897.

Regarding para 7, it is stated that the Court of Wards of Wards demands as a condition precendent to their grant of the concession that four different matters in which the estate is greatly interested should be settled by the Darbar at a very early date. As regards the first of these matters, I am directed to state that there are no objections to the proposals. This matter will receive early attention.

As regards No 2, (A) I am directed to state that no reference is pending before Govt as to the arrears of toddy rent due to the Jaghirdar, and the Deputy Commr of Mysore has been instructed to expedite his report on any representation which may have been made to him on the subject, in view to its early disposal under the rules recently issued for

for the settlement of the claims of holders of alienated villages to Zoddy revenue. As regards the payment of arrears of arrack revenue referred to above, I am to say that the question has been settled so far back as in 1869 by the Chief Comm.r's order of the 26th Oct. under which the Jaghirdar is entitled to an annual payment of Rs 278-9-" in commutation of his right to the Excise Revenue of his Jaghir. This sum is being regularly disbursed and the last bill for 1900-1 was also sanctioned on the 14th March 1902. Copies of the orders referred to above and noted in the margin are herewith sent for the information of the Madras Govt.

1. Ch. Comm docket no 3920/123 dy 16/10/69, with memo (Paper 3/a of R4258/92.)

3. Pco. no 15243-4 R4258-92 dy 14/3/02 (Paper no 40 of the same file)

No 3 forms the subject of a separate communication from the Govt of Madras. The matter is now being settled and the result will be communicated.

No 4. This is a matter on which there has been a great deal of correspondence; and the Madras Govt. subsequently altered their opinion which they had communicated to the Durbar on a previous occasion. It will

will now be thoroughly investigated and a Com-
munication made to the Hon'ble the Resident
Shortly. I am requested to express a hope
that this Complicated matter will not be allowed
to stand in the way of a Settlement of the
important question of the water Supply in
Connection with the Kaveri Power Scheme
which is approaching completion and on
which, the Durbar have spent a Considerable
amount of money relying upon the assurance
of facilities to be afforded by the Madras Govt.

7. In regard to the concessions proposed above in respect to the lease of the hot-weather supply, I am to state that the Court of Wards, in the interests of the minor Jagirdar, demands it as a condition precedent to their grant that certain matters referred to below now under discussion with the Darbar in which the estate is greatly interested, shall be settled at an early date. These matters are:—

(1) Arrears of rent amounting to some Rs 6,000/- on 1st July 1901 have been outstanding in the Jagir villages in Mysore belonging to the

we must make the best of a bad bargain. These terms as described above must be accepted, even this is limited to a period of 33 years. What is to become of this after, without losing sight of this matter we must try and get better terms in the interval. Our reply must accept these terms & ask for reconsideration of the period which we are compelled to accept, but would like the absence of any such limitation. The possibility of such a matter being re-opened after this long period is a condition full of uncertainty and fear & in the interests of all concerned, to be dealt on a clear basis.

the estate for fasli 1301 to 1310. For the proper administration of the estate, it is essential that the Manager of the British portion of the estate shall be immediately empowered to recover these arrears under the Mysore Revenue Law; vide my letter Confl. No. 159 Revenue dy 16th Jany 1902.

(ii) Arrears of toody rent to the extent of Rs 1752-14-11 which relate to a period of nine years and three months have remained unpaid by the Darbar, notwithstanding the representation during the last seven years of repeated applications to the Deputy Commr of the Mysore District. RJ 258-93 The question of the payment of arrears of arrack revenue is also pending.

(iii) The Darbar is also liable to pay to the estate reasonable compensation for trees felled and buildings and other materials removed from the Jagir villages in Mysore belonging to the estate by the Contractors and Coolies employed under the Mysore Resident Engineer. A separate communication being made by us on this matter.

(iv) Another matter relates to the two villages of Purigal and Kagalipuram in Mysore granted as endowments for

5. Here no objection to this & the matter will receive early attention.

The enclosed file shows there is nothing due & none done in this matter.

This settlement maybe proposed in the terms of Capt. Lobbinière's note.

(File wh. had been obtd. from the D.C. & put up with latest Resy. letter & note herewith)

This has been the subject of a great deal of correspondence and the last letter received on the subject discloses a change of views of the Madras Govt. The matter will

receive very early attention
+ a communication will be
sent to the Residency,
but I should hope that
this question will not be
mixed up with that com-
plicated matter which
may be finally decided
on its own merits.

for the upkeep of the temples and charit-
-able institutions at Sivansamudram.

In my letter bearing No 1181 Rev of 23rd Decr 1901 it was requested that the Darbar be moved to reimburse to the Court of Wards the accumulated income derived from the villages and to hand over in future to the Court annually the entire surplus income from the villages. Ummanali ammal, mother of the minor Jagirdar, has repeatedly pressed for the actual restoration to the estate of the villages themselves. The Court of Wards considers her request not unreasonable and supports it. H.E. the Governor in Council agrees with the Court.

8. I am to enquire whether the Darbar will agree to a lease of the hot-weather supply in the Sivansamudr and Dhanakare Channels on the terms detailed above.

Sir,

In submitting herewith copy of the marginally noted correspondence, together with the record of enquiry into the claim to toddy revenue preferred by the Jahagirdar of Sivasamudram, received from the Mysore District Deputy Commissioner, I have the honor to state that I concur in the Deputy Commissioner's opinion that the Jahagirdar is entitled to Excise Revenue from Toddy

1. Letter No: 20, dated 23rd August 1902 from the Deputy Commissioner Mysore to Excise Commissioner Mysore
2. Letter No: 37, dated 13th November 1902 from the Deputy Commissioner Mysore to Excise Commissioner Mysore

Toddy Accordingly orders may be issued for its payment under paras 2, 5 and 9 of Government Proceedings No: 2074-83 R. Ft 166-92 dated 2nd August 1901.

2. The word "Eachel Pyru" is used in the Sannad of the Jahagir, along with Sayer duties, viz: "Alilay Sunka", "Pomma", "Hatti Pomma", "Thempu Hoodu", "Boppina Nolay", "Eachel Pyroo" and "Tambaku Pomma". It is not used along with forest produce, viz: "Sreegandha - Vriksha", "Madaki Patanga", "Seegay" and "Poppali", specified in the Sannad. Therefore it is evident that "Eachel Pyroo" is used for duty on Toddy drawn from Date Trees.

3. In Government Proceedings No: 196-8 Ex. F. 12-1901, dated 7th October 1902, it

it has been decided that Hariharapura Inam Village, Krishnarajapeh Taluk, in the Sannads of which "Eachel Pyroo" is similarly used, is entitled to Excise Revenue from Toddy.

Letter No. 2889—125, dated 19th November 1902, from the Excise Commissioner in Mysore, submitting, with his opinion, the record of enquiry relating to the claim to the toddy revenue preferred by the Jahgirdar of Sivasamudram.

---

No. 332-4—Ex. F. 12-1901, DATED BANGALORE, 16TH FEBRUARY 1903.

ORDER THEREON.—The Jahgirdar holds the Sarvamanyam villages of Belakavadi, Dasandoddi, Kanchagahalli, Hosahalli, Devapatna, Mallakyathanahalli, Purigal and Kaggalipura, in the Malvalli Taluk of the Mysore District. In support of the claim to the toddy revenue of these villages, the agent of the estate has produced copies of the original Sannads given to the Jahgirdar in December 1829, as well as the original title-deeds. The latter expressly concede the toddy revenue to the Jahgirdar, and the former entitle him to "Ichal pairu," distinctly used to mean the Excise revenue from toddy. The Jahgirdar has also recovered the revenue from the old contractors till the end of March 1892. The Assistant Commissioner (Mr. P. Srinivasa Rao), who held the enquiry, has recognised the claim. The Deputy Commissioner, Mysore District, and the Excise Commissioner support it. The Government are accordingly of opinion that the claim of the Jahgirdar to the excise revenue from toddy of the Jahgir villages in the Mysore Territory is satisfactorily established.

2. Two shops (one at Purigal and the other at Belakavadi) are said to exist for a long time and one more near Mallakyathanahalli for the past two years. The shops are said to have also groves attached to them. The revenue of these villages are therefore due to the Jahgirdar under Rules 2, 5 and 9 of the Rules issued with Government Proceedings No. 2074-83—R.F. 166-92, dated 2nd August 1901, from 1892-93 minus the amount, if any, already advanced to him. While making the payments, the revenue due on account of the Purigal and Kaggalipura villages should, until further orders, be paid to Government on behalf of the temples and the Agrahar at Sivasamudram, for the maintenance of which these villages were granted, as they are at present under Government management.
